Time, 2:40 by Ed. Mac in two heats, Tommy A. second, Cromwell third; time, 2:51 and 3:51%. The running race was between Mart Boorhem's sorrel Dan and Chet Hodge's Black Friday. Friday won the first heat and his friends were then confident that it was his day to get even with Dan, but they were disappointed when Dan took the next two heats and the race, although the last heat was very close. The backers of Friday were anxious to run another heat and offered odds on their favorite, but as Dan is training for the Toledo races his owner declined to allow him to run another heat. In the race for gentlemen's driving horses there were six starters, as follows: Charley Wright, Nellie Guild, Sheriff Kinney's colt Young Wikes, J. R. Wilson's roan mare and Fanny Holzer. It was half mile heats, best two in three. All were green horses and with some very green drivers it was as good as a circus to see them scoring for the start. Young Wilkes took the first heat in 1:31. Kinney's colt won the second heat in 1:30½. Only Kinney's Colt and Charley Wright started in the third heat. The colt had a little the best of the start and went away from Charley easily. On the back stretch the Sheriff waited for Wright, and when he came up the colt went off his feet, but he got down again and came home a length ahead. Time, 1:30.
